RESEARCH PROFESSIONAL EXPERIENCE

World Inequality Lab
World Inequality Report Coordinator

Paris, France
 Dec. 2024–present

- Coordinator of the [World Inequality Report 2026](#): global analysis of income, wealth, gender inequality, and environmental impacts.

Economist

Aug. 2024–Nov. 2024

- Lead author of two technical notes expanding the World Inequality Database with historical and projected population series for 216 countries (1800–2100) and updating global inequality estimates.

Banco de México (Central Bank)

Mexico City, Mexico

Research Economist

Sep. 2020–Sep. 2024

- Co-authored a published article analyzing supply and demand shocks from COVID-19 on Mexican sectoral activity using sign-restricted SBVAR.
- Co-authored a research note on gender and labor force participation trends.
- Managed and presented the Private Sector Economic Expectations Survey data.
- Contributed to research on trade integration and unemployment, labor market slack measures via PCA, and financial forecast evaluation.

RESEARCH ASSISTANTSHIPS

Paris School of Economics

Paris, France

Research Assistant to Karen Macours

Sep. 2023–Dec. 2023

- Studied agricultural innovation adoption in Uganda in collaboration with CGIAR and the World Bank.
- Contributed to data management, programming, and econometric analysis.

Center for Economic Research, ITAM

Mexico City, Mexico

Research Assistant to Arturo Aguilar and Adrián Rubli

Feb. 2020–Jan. 2022

- Co-authored a working paper evaluating a large-scale preventive health policy in Mexico. Promoted from RA to co-author.

Banco de México (Central Bank)

Mexico City, Mexico

Research Assistant to Gabriela López Noria

Sep. 2020–Sep. 2024

- Contributed to a [working paper](#) studying the effects of trade and technology on the Mexican labor market, finding that trade integration reduced unemployment, especially for women.

PREVIOUS WORKING PAPERS

These papers reflect earlier stages of ongoing research or completed projects no longer under active development.

“Mandatory Preschool and Student Test Scores: Evidence from Mexico”, 2022.

“Is the Bicycle a Substitute for the Automobile? Evidence from Mexico City”, 2020 (with Amado Crotte, Jorge Narezo, and Marc Jacob).

“Evaluation of the Implementation of Metrobús Line 1 on Air Quality in Mexico City”, 2019.
